

How to enroll in the Career Decision Making in Health Care course

The Career Decision Making in Health Care e-learning course is on EL4U. Here is how you access and enroll in it.

1. Click this [link](#) to go to the EL4U login page.
2. Enter your User ID and Password.
Click Login.
(There is information on the EL4U login page to help you if you do not know your user ID or password.)
3. Click the Catalog menu at the top of the page.
Enter the words, **career decision** in the Search box.
Click Search.
4. Click the course link to go to a page with information about the course.
Click **Enroll in this Course**.
5. You can now click the link to start the course.
Note, it will also be listed in My Learning until you finish it.

This course is meant to be completed during non-work time, unless your manager approves of you taking it during work hours. You can access this course from anywhere that has Internet access using the above link.

This course will keep track of your progress so you don't have to take it all at once. When you click **Exit** and leave the course, it will remember the last page you were on. When you go back into the course, it will ask if you want to return to where you left off.

If you have any questions or concerns, please contact Workforce Development (508-793-5250 then press 4 or send e-mail to workforcedevelopment@umassmemorial.org).

Good luck with the course and your career!
